Single Family on 0.00 Acres

Barrhead, Barrhead, AB

Well maintained and move in ready. All you need is here in this 1100 square foot bungalow built in 1997. Many of the finishes are original but very well looked after. The kitchen is all new melamine wrap, beautiful and easy to clean as well as new appliances. The master is the perfect size with a 3 piece ensuite. The main floor laundry closes up nicely in a hallway closet. A good sized second bedroom completes the main floor. The basement is fully finished with 2 bedrooms, a huge family and exercise room and tons of storage. The furnace and hot water tank have been upgraded to high efficiency as well as both bathroom vanities. The attached heated single garage has lots of storage as well. The home sits on a 60 x 90 lot which leaves room for a nice backyard with a storage shed. The shingles have been upgraded as well. As I said - well maintained, move in ready and air conditioned!
